Research Supervisor (Guide) Profiles

Discipline of Supervision: **Commerce**

Dr. S Amirdha Vasani

Assistant Professor
Department of Commerce
School of Commerce, Accounting and Finance

Areas of Specialisation:

Financial Economics and Financial Markets, Investment Management and Portfolio Analysis, Energy Economics and Sustainable Development, Business Analytics and Data Analysis, International Finance and Exchange Rate Dynamics

Dr. Amirdha Vasani is an Assistant Professor in the School of Commerce, Accounting and Finance at Kristu Jayanti University, Bengaluru. She holds a Ph.D. in Commerce, an M.Com., and an MBA, with a research focus on Financial Economics and Energy Economics. Her research interests include exchange rate dynamics, foreign exchange markets, cryptocurrency market volatility, economic growth, and sustainable development. She is actively engaged in systematic literature reviews, bibliometric analysis, and interdisciplinary research exploring emerging trends in finance, economics, and business. She has contributed to scholarly research through a Scopus-indexed book chapter titled “Volatility Spillover and Contagion Risk in Cryptocurrency Markets: Systematic Literature Review”. Her case study, “The Chennai Water Crisis: A Case Study in Urban Water Stress, Governance Failure, and Sustainable Transformation”, has been accepted for publication by Wiley Climate and Energy. In addition to her research contributions, she is committed to teaching, mentoring students, and promoting research-oriented learning. Her academic interests also extend to artificial intelligence in business, data analytics, and sustainable economic transformation. Through her teaching and research, she aims to contribute to knowledge creation, evidence-based decision-making, and the advancement of interdisciplinary scholarship.
