**Kristu Jayanti (Deemed to be University)** established in 1999 and managed by the Kristu Jayanti Trust of the Carmelites of Mary Immaculate (CMI), was reaccredited with an 'A++' grade by NAAC in 2021. Recognized by UGC under category 3 and granted Deemed to be University status during July 2025, the University is committed to academic excellence, values, and global competencies. In 2025, it was ranked 34th in the NIRF top 100 colleges in India. The institution has also won national accolades, including the Clean and Smart Campus Award, and ranks among across various disciplines in the India Today-MDRA survey2025, distinguishing itself among the best colleges in Bengaluru and nationally.

The **Department of Forensic Science** was started in the year 2019, offers comprehensive education and training for aspiring forensic professionals. The Department offers BSc Programmes in Forensic Science, multidisciplinary Programmes with combinations of Biotechnology, Biochemistry, Computer Science, and Criminology, as well as MSc and PhD programs in Forensic Science. With expert faculty, state-of-the-art labs, and industry connections, the department enhances students' scientific skills and knowledge in emerging forensic fields, setting high standards in forensic education

#### CONFERENCE PREAMBLE

The International Conference on Advances in Forensic Science organised by Department of Forensic Science at Kristu Jayanti (Deemed to be University) in collaboration with Indiana University, is a global forum showcasing cutting-edge forensic research and innovations. The conference covers key themes and sub-themes addressing current challenges in forensic practice, featuring oral presentations, plenary sessions, and hybrid mode participation (online and offline). This event brings together researchers from diverse fields to share findings, spark collaborations, and shape future research directions.

We warmly invite you to be part of this scientific gathering. We are sure this scientific event will be a marvellous opportunity to exchange ideas, spark new collaborations, and pave the way for future research breakthroughs.
