October 14 is International E-waste Day. Every year millions of tons of electronic waste are discarded and we need to improve the way it is collected and treated to prevent it from becoming a major environmental issue. The day is used to **raise awareness on e-waste recycling.** Let's pledge to prioritize e-waste recycling.

The **Centre for Environment and Sustainability** and **Department of Computer Science (UG)**, Kristu Jayanti College (Autonomous) is making an attempt to raise awareness of e-waste management.

Collection of E-waste for recycling: 14th October 2023 to 20th October 2023

Students are requested to carry the e-waste from your department/ hostel/ home and deposit it in the e-waste collection bin which is placed in every block from **14th - 20th October 2023.** **The collected e-waste will be sent to an e-waste vendor for recycling.**

National Bird Day

In commemoration of National Bird Day, Centre for Environment and Sustainability (CES) is organizing various activities to protect our feathered friends, BIRDS on Wednesday, January 11, 2023.

Request all to be a part of the outdoor activity "Home and Food for the Birds".

The activities for the event are as follows

1. Preparation of eco-friendly bird feeders with coconut shells, bamboo sticks and mud pots.
2. The feeders will be hung on trees within the college campus as well as nearby communities.
3. Placing different varieties of food grains and water in the bird feeders.
4. Educating students and the public about the importance of preserving birds and maintaining biodiversity.
5. Encouraging students to continue bird feeding in their localities.
6. Making small reels of the activity and uploading in social media.
7. Photography contest on birds.

Students/ faculty who are interested in participating in the activity and contests are requested to register through the google link <https://forms.gle/SHprvumMuqAasVz67>

Contests:

- Making of Eco-friendly bird nests
- Making of Eco-friendly bird feed
- Photography of birds
