I. Details of Papers Presented

| Sl. No. | Date of the Event | Roll Number | Name Of The Student | Full programme Title & Venue / Organiser Details | Title of Paper Presented / Published / Project / Any Other | Any Award / Achievement |
|----------------|--------------------------|--------------------|----------------------------|---|---|--------------------------------|
| 1. | 26/09/2025 | 24MDTS01 | Allan Samario | National level students symposium on computational intelligence and scientific advancement: from theory to application, kristu Jayanti (deemed to be) university, bengaluru | Smart traffic flow analysis | Presented |
| 2. | 26/09/2025 | 24MDTS34 | Mitesh Malviya | National level students symposium on computational intelligence and scientific advancement: from theory to application, kristu Jayanti (deemed to be) university, bengaluru | Smart traffic flow analysis | Presented |

| Sl. No. | Date of the Event | Roll Number | Name Of The Student | Full programme Title & Venue / Organiser Details | Title of Paper Presented / Published / Project / Any Other | Any Award / Achievement |
|---------|-------------------|-------------|---------------------|---|--|-------------------------|
| 3. | 26/09/2025 | 24MDTS04 | Akash Michael | National level students symposium on computational intelligence and scientific advancement: from theory to application, kristu Jayanti (deemed to be) university, bengaluru | Early detection and severity prediction of parkinson's disease using voice signals | Presented |
| 4. | 26/09/2025 | 24MDTS35 | Monal J | National level students symposium on computational intelligence and scientific advancement: from theory to application, kristu Jayanti (deemed to be) university, bengaluru | Early detection and severity prediction of parkinson's disease using voice signals | Presented |
| 5. | 26/09/2025 | 24MDTS05 | Akash O M | National level students symposium on computational intelligence and scientific advancement: from theory to application, kristu Jayanti (deemed to be) university, bengaluru | Big query ecosystem | Presented |
| 6. | 26/09/2025 | 24MDTS14 | Anurudh M J | National level students symposium on computational intelligence and scientific advancement: from | Big query ecosystem | Presented |
