KJU Holds Investiture Ceremony for Student Leaders

At a recently held Kristu Jayanti University's event, newly elected student leaders and secretaries of more than 60 clubs, associations and academies were inducted in an Investiture Ceremony.

Speaking at the event, Air Commodore Kamal Chadha, Deputy Director General, NCC Directorate Karnataka and Goa, said effective leadership rests on character, competence and compassion, and is reflected in how people treat others and make responsible decisions. Leaders, he added, should share credit for success with their teams while accepting responsibility for failures.

Vice Chancellor Fr Dr Augustine George CMI urged students to lead with integrity and accountability, saying leadership is rooted in responsible behaviour, not authority.

The ceremony ended with the oath of office, as student leaders pledged to uphold university values and fulfil their responsibilities with commitment, dedication, sincerity, purpose, confidence, service, and excellence.
