Kristu Jayanti opens new Airport Road campus

BENGALURU

Kristu Jayanti University has officially inaugurated its brand-new campus located along Bengaluru's Airport Road. The modern facility will open its doors for academic programs starting July 20, 2026.

Spanning 14 acres, the campus is designed to offer specialized higher education degrees, including MBA, MCA, M.Sc in Computer Science, and BBA programs. To support this expansion, around 4,500 students are moving over from the university's main campus.

The new layout heavily focuses on practical, hands-on learning. It features dedicated incubation spaces and business workstations where young innovators can test creative ideas and build their own business startups.

Additionally, the university has set up advanced Skill Stu
