✚ Kristu Jayanti University inaugurated its new campus on HAL Road and will officially start academic activities from July 20, 2026.

Spread over an area of about 14 acres, this campus will offer MBA, MCA, M.Sc in Computer Science and BBA courses. About 4,500 students will be shifted to the new campus from the main campus.

“Dedicated incubation spaces and professional workstations invite students to test ideas, challenge assumptions and develop ventures of their own. The Skill Studios bring together a constellation of specialised learning environments like cognitive artificial intelligence (AI) lab, cyber range,” the release added.
