Kristu Jayanti Hosts Tree Plantation Drive on World Environment Day

Kristu Jayanti (Deemed to be University), Bengaluru, through its Jayantian Extension Service (JES), in association with NSS, CSS, and the Greater Bengaluru Authority (GBA)-Bengaluru East City Corporation, organized a tree plantation drive on June 5, 2026, to mark World Environment Day.

Held at Sri Siddhartha Sanivasa High School, the initiative aligned with the themes "Plant4Mother" and "Ek Ped Maa Ke Naam." The programme aimed to raise environmental awareness and encourage citizens to plant trees as a tribute to their mothers.

Faculty members, student volunteers, BBMP officials,

school staff, and local residents actively participated: Saplings were planted across the campus, while volunteers educated children and the community on the importance of afforestation and ecological balance. The event concluded with a pledge to nurture the saplings, reflecting the university's commitment to sustainability and community engagement.
