Kristu Jayanti University's Women in CyberSecurity Wins International Student Chapter of the Year 2026

Kristu Jayanti University has earned international recognition as its Women in CyberSecurity (WiCyS) Student Chapter was awarded the International Student Chapter of the Year 2026. The prestigious honour was announced in Washington, DC, recognizing the chapter's outstanding contri-

bution to building a vibrant cybersecurity learning community and encouraging more women to pursue careers in cybersecurity.

The chapter was recognized for creating a strong cybersecurity ecosystem with an active community of over 300 members. Its impactful initiatives include WiCyS Study Jams on advanced topics such as Blockchain and Zero-Trust Security, as well as an industry mentorship program connecting students with professionals from leading organizations including IBM, Oracle, and Salesforce, providing valuable exposure to real-world cybersecurity practices. Through continuous skill-development initiatives, academic engagement, and strong industry collaboration, the WiCyS Student Chapter at Kristu Jayanti University has emerged as a dynamic platform for nurturing cybersecurity talent and leadership among students.
