Jayantian Cup 2026 Set For National Sporting Showcase

BENGALURU

Kristu Jayanti University will host the fifth edition of the Jayantian Cup, a National-Level Inter-Institution Championship, from September 9 to 11, 2026, bringing together student athletes from institutions across South India for three days of competitive sporting action.

The championship will be inaugurated at 9 a.m. on September 9 in the presence of university leadership, faculty members, participants and invited guests. Fr. Dr. Augustine George, Vice Chancellor of Kristu Jayanti University, will address the gathering

and formally mark the beginning of the tournament.

Nearly 150 teams from Karnataka, Kerala, Tamil Nadu, Andhra Pradesh and other parts of South India are expected to participate in the championship. The event will provide young athletes an opportunity to demonstrate their sporting abilities while encouraging healthy competition, teamwork and interaction among students from diverse institutions.

Competitions will be held in both men's and women's categories across Basketball, Volleyball, Throwball, Football, Kabaddi, Karate, Taekwondo and Pencak Silat. Matches and events will be conducted at the University's Airport Road Campus and Central Campus, which will host participants across the various sporting disciplines.

The Jayantian Cup has grown into one of Kristu Jayanti University's promi-

nent sporting events, offering student athletes a platform to compete at a national level. The fifth edition is expected to reinforce the university's emphasis on holistic student development by bringing academics, sports and physical well-being together.

University officials expect the championship to promote qualities such as discipline, resilience, leadership and teamwork among participants. Beyond competition, the event is also aimed at strengthening inter-institutional collaboration and creating opportunities for students to build lasting connections.

With athletes, coaches and supporters expected to converge on the campuses, Jayantian Cup 2026 is set to celebrate sporting spirit, determination and competitive excellence while highlighting the university's continued commitment to sports and student development.
